Hosting Appeal

Dear Visitor. The Tap has become increasingly busy and we can't stay online without your help. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. In this age of great change The Tap is a valuable independent resource where we can come together and share information the controlling parasites would rather we didn't have. Please help if you can and donate a small amount towards the hosting costs. Your donation will make a huge difference. Thank you in advance. **Click here to donate**
